Sadhguru, Swami Ramdev and BK Shivani gave consent to address World Environment Day Event organised by AVB

Founder of Ahimsa Vishwa Bharti Acharya Dr. Lokesh invited World renowned spiritual leaders Sadhguru, Yogrishi Baba Ramdev and BK Shivani to World Environment Day event organised at NSCI Dome, Mumbai on June 5, 2019. All the three leaders gave consent to address the gathering on 'Environment Protection for Peace and Harmony' seminar. In this historic event Spiritual Icons Acharya Lokesh, Sadguru, Baba Ramdev and BK Shivani will be on one platform for the first time and will give the message of Environment Protection for World Peace and Harmony. This will create history and will be an example in spiritual world.

Acharya Lokesh said that World Environment Day is a campaign celebrated every year on 5th June. It is a United Nations Environment Program and was established by UN General Assembly. Ahimsa Vishwa Bharti took the initiative to raise global awareness among people about the environmental issues. AVB is going to contribute on this magnificent day over 8000 plants with religious leaders and will start a mass revolution to save environment.

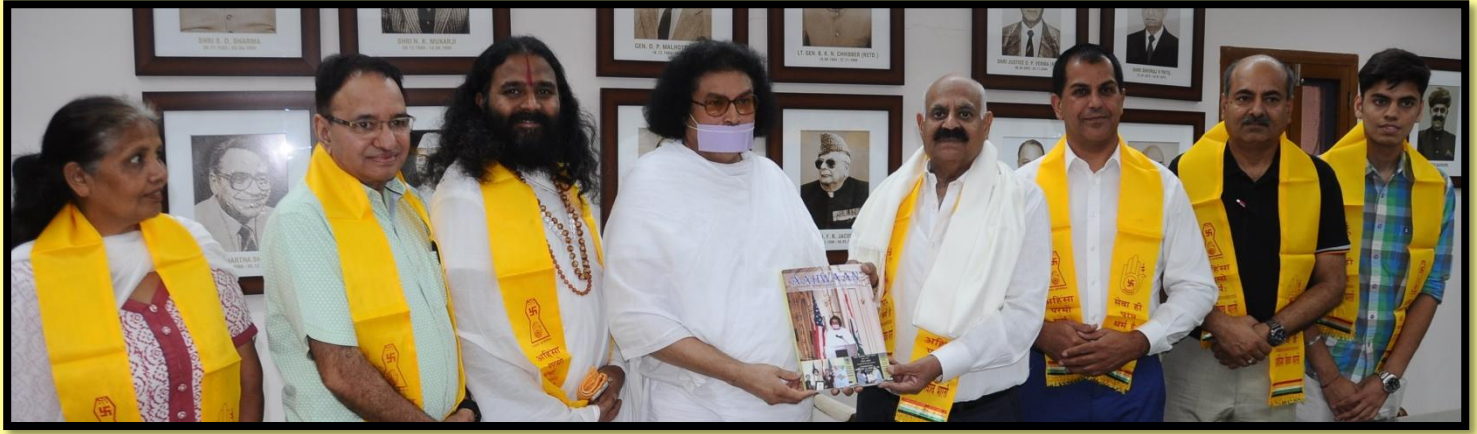

Sadhguru said that protection of environment is needed for sustainable development. The Industrial pollution, degradation of forests, depletion of ozone layer, the green house gases results in global warming and climate which will have an adverse impact on environment and human health. There is a need for conservation of Biodiversity, protection of wetlands and prevention of environmental pollution, promotion of ecological balance enables sustainable development.

Yogarishi Baba Ramdev said that environment and life are interrelated. Our lives depend on natural resources such as air, water, and land. Environmental destruction threatens survival; conversely, human rights violations can cause environmental degradation, for instance, war can lead to loss of access to clean water. Thus, the quality of environment is undeniably related to our enjoyment of the right to life. Because of this interrelationship, environmental and human rights advocates have pushed for the extension of the right to address environmental harm.

Dr. B.K. Shivani said that by organizing a seminar on environmental protection, Ahimsa Vishwa Bharti organisation is doing a very commendable work. Religion Gurus of various religions are with Ahimsa Vishwa Bharti on this issue. He said that it is extremely necessary to create public awareness for environmental protection, in this religion guru can play an important role. Social organizations have to come forward for this.
